

Gold Protection Pack

3 Way Aftermarket + Tint

Premium Metallised Window Film (with a matching carbon equivalent for those windows that have radio antenna).

This high performance film has a VLT of 35%, rejects 99% of UV, 45% of heat rejection, and 65% glare reduction.

AutoGard Premium PaintGard produces a fantastic shine and is guaranteed to protect against bird and bat droppings, industrial fallout, acid rain, tree sap, and of course, oxidation, fading and loss of gloss.

AutoGard Carpet & FabricGard protects against lifes little "everyday accidents".

It provides lasting protection against permanent staining of carpet, fabric and velour, caused by foodstuffs and drinks such as water, coffee, soda and milk.

Gold Protection Pack

3 Way Aftermarket + Tint

AutoGard **Leather & VinylGard** produces an even sheen, and provides lasting protection against permanent staining of the leather and vinyl caused by foodstuffs and drinks, such as water, coffee, soda and milk.

It also protects against cracking and splitting or discolouration of the leather and vinyl, caused by sunlight and heat.

The Gold Protection Pack includes the AutoGard Maintenance Pack. Specific details are available.

Details of the AutoGard Warranty are available.
