Product Disclosure Statement

This Product Disclosure Statement (PDS) describes the benefits, Exclusions and cost of this Extension to Manufacturer's Warranty, as well as information about your rights if you decide to purchase the Warranty. You should read it carefully before deciding to buy the Warranty. Neither we nor our Authorised Representatives can advise you on whether the Warranty is suitable for your particular needs.

This Warranty is a financial product issued by Davantage Group Pty Ltd, trading as National Warranty Company (NWC). It is not the same as the warranties and guarantees that your motor dealer is required to provide in relation to the Vehicle under the Competition and Consumer Act 2010 (Australian Consumer Law) and State and Territory legislation. You can still pursue your rights under those laws and you are not required to pay for the consumer guarantee and warranties you have under those laws.

Who is National Warranty Company?

National Warranty Company (NWC) is the trading name of Davantage Group Pty Ltd ABN 35 161 967 166 which is the product issuer for the Warranty. This means that we are responsible for the payment of any claims you make under the terms of the Warranty and not the Authorised Representative who sold you your Warranty.

We, Davantage Group Pty Ltd, hold an Australian Financial Services (AFS) Licence which authorises us to deal in, and provide general advice on, Vehicle Warranties. Our AFS Licence number is 438157.

We have a number of Authorised Representatives who are authorised through our AFS Licence to provide general advice on, and to deal in the Warranty.

Warranty Overview

This Warranty is a discretionary risk product. For more details see Section 11. This Warranty is designed to reduce the financial impact of unexpected mechanical or electrical failure to the Vehicle by providing parts and labour cover as described in Section 3.

Please read this document for full terms, conditions, Covered Components, Financial Limits and Exclusions.

- any failure of the Covered Component due to Normal Wear & Tear, normal deterioration, negligence; or
- any failure of Vehicle components/parts that have reached the end of the normal working life because of age or usage.

“Normal Wear & Tear” means the gradual reduction in a Covered Component’s operating performance or ability to perform the functions for which it was designed, taking into account the Vehicle’s age and kilometres travelled.

“NWC” refers to National Warranty Company which is the trading name of the Warranty issuer, Davantage Group Pty Ltd ABN 35 161 967 166.

2. Warranty Options

2.1 Warranty Options

You have three (3) options when selecting a Warranty for your Vehicle. Whether an option is available to you depends on the age and the kilometres your Vehicle has travelled at the time of your purchase.

You should consider which level is most appropriate in your circumstances. Your Authorised Representative and NWC cannot advise you on which Warranty option suits your personal circumstances - you must decide for yourself.

Plan A	For Vehicles 10 years and under that have travelled less than 160,000 kms at the date of purchase.
Plan B	For Vehicles 8 years and under that have travelled less than 120,000 kms at the date of purchase.
Plan C	For Vehicles 5 years and under that have travelled less than 100,000 kms at the date of purchase.

2.2 As a precondition to a Warranty purchase, the Vehicle must:

- Be in a roadworthy condition and mechanically sound at the time of Warranty purchase; and
- Have current motor Vehicle registration.

2.3 The Warranty will come into effect on the commencement date as specified on the Customer Contract & Declaration. Once the Warranty Cost has been fully paid and has been accepted by NWC, the Warranty Contract will continue for the Warranty Term, provided that all terms and conditions are complied with.

2.4 Warranty Period

The available Warranty periods are:

- 12 months / 30,000kms
- 24 months / 60,000kms
- 36 months / 90,000kms
- 48 months / 120,000kms

3. What are the benefits payable under this Warranty?

3.1 This Warranty Contract covers mechanical and electrical components as covered by the manufacturer, which are specified in the Manufacturer's Warranty book unless noted as an Exclusion in this Product Disclosure Statement (see Section 9).

3.2 NWC will, in its absolute discretion, pay the reasonable cost, up to the Financial Limits applicable, to repair the failed components commensurate with the Vehicle's age, condition and kilometres subject always to the terms and conditions set out below. Claims are settled by NWC.

3.3 The most we will pay in relation to any one claim:

Plan A	Up to \$3,000
Plan B	Up to \$7,500
Plan C	Up to the Market Value of the Vehicle at time of the claim.

4. Additional Benefits

4.1 Accommodation

We will reimburse you up to \$100.00 towards the cost of accommodation actually paid and reasonably incurred under the following circumstances:

- if the failure is accepted as a claim under the terms of the Warranty Contract; and
- if the failure occurs beyond 100km from your usual residence; and
- the Vehicle is immobilised for more than one (1) day.

4.2 Car Hire

We will reimburse you up to \$50.00 a day for a maximum of seven (7) days, towards the cost of car hire actually paid and reasonably incurred under the following circumstances:

- if the failure is accepted as a claim under the terms of the Warranty Contract; and
- the repair takes more than five (5) business days after the date of authorisation to be completed.

4.3 Transfer of Warranty

If you sell the Vehicle, we may in our absolute discretion (but acting reasonably at all times), permit the transfer of your Warranty Contract to the new purchaser unless NWC reasonably considers that you have not complied with the provisions of the Warranty Contract.

In order to validate the transfer you must, within seven (7) days of the sale of the Vehicle, provide NWC with:

- A satisfactory mechanical inspection from an approved NWC repairer; and
- The transfer fee of \$100.00; and
- A completed Transfer of Ownership form which can be downloaded from www.nwc.com.au or by contacting NWC on 1800 888 760.

The Warranty cannot be transferred to another Vehicle.

4.4 Ease of Claim Lodgement

In the event of a claim, simply contact NWC prior to the commencement of any repairs. It is not necessary to fill out any claims forms.

4.5 Speedy Claim Assessment

Claims are assessed during normal working hours within four (4) hours of NWC receiving a satisfactory report and quote for the repair.

4.6 No limit to the number of Claims

There is no limit to the number of claims made under the Warranty Contract during the Warranty Term.

4.7 Quality Guarantee

If your Vehicle suffers a failure during the Warranty Term, any authorised repairs carried out under the Warranty Contract will be covered for the remaining Warranty Term.

5. What are your obligations under the Warranty?

From the date your Warranty commences, you must comply with the following conditions. Failure to comply with these conditions may invalidate a claim.

- 5.1 **Servicing Requirements** - You must have the Vehicle serviced in accordance with the terms and conditions of the Warranty by a licensed mechanic or service centre at the following intervals:
- **Plan A & B:** Servicing must be carried out on or before 10,000kms or 6 months, whichever occurs first;
 - **Plan C:** Servicing must be carried out as per the manufacturer's guidelines.
- 5.2 **Coolants and Lubricants** - must be checked and maintained regularly.
- 5.3 **Service Invoice Records** - To assist with prompt claims assessment please ensure you forward each service invoice (copy/original) to NWC detailing: the Vehicle's registration number, your name and address, kilometres at the time of service, the work performed, and the Warranty Contract number.

Service invoices can be uploaded direct to NWC via our website www.nwc.com.au/home.html. Alternatively you can post or email the invoices to NWC (see Section 15).

The processing of your claim may be delayed or declined if we do not have invoices detailing the service history of the Vehicle. Further, we will not be liable or responsible for loss, damage, expenses or other liability you may incur as a result of any delays relating to the repair of your Vehicle which is caused due to delays in obtaining parts and/or materials required.

- 5.4 **Road Worthiness** - You must take all reasonable care to maintain the roadworthy condition of the Vehicle.
- 5.5 **Operation** - The Vehicle must at all times be operated in accordance with the manufacturer's instructions and in a manner consistent with the Vehicle's design and specifications.
- 5.6 **Minimise Damage** - You, or any other person in control of the Vehicle, must take all reasonable precautions to minimise damage to the Vehicle and/or the Covered Components when you or they suspect a Mechanical Failure may have developed.

6.2 Tax Implications

The taxes and charges that apply to the Warranty will be shown on the Customer Contract & Declaration issued by your Authorised Representative. The Financial Limit for each Covered Component includes any GST payable for repairs and replacement.

7. Making a Claim

- 7.1 Read this PDS to find out if your claim may be covered.
- 7.2 Contact NWC on 1800 888 760 for the location of your nearest approved repairer.
- 7.3 The Warranty does not cover any repairs commenced without pre-approval from NWC. An authorisation number must be issued by NWC to the repairer.
- 7.4 It is your responsibility to authorise and pay for any diagnosis necessary to determine if the problem falls within the terms of the Warranty. If the claim is authorised by NWC, the reasonable cost of the diagnosis will be included in the claim (up to the appropriate claim limit).
- 7.5 After the problem has been diagnosed, the authorised repairer will contact NWC, quoting your Warranty Contract number, current odometer reading of the Vehicle, a description of the problem, the repairs required, and the estimated cost of repairs. NWC will then make a decision about whether to exercise its discretion in your favour or not. NWC may inspect your Vehicle before authorising repairs.
- 7.6 You will be required to contribute to the cost of coolants, lubricants and machining.
- 7.7 For Warranty Plans A & B you will be required to pay the first \$250 (including GST) of each claim by way of excess.
- 7.8 To make a claim in respect of Accommodation (Section 4.1) or Car Hire (Section 4.2) forward a copy of your paid tax invoice to NWC, quoting the Warranty Contract number, ensuring your current address is provided. If approved, we will forward payment within fourteen (14) days.

8. Ineligibility

- 8.1 You may be ineligible to make a claim, or we may decline a claim under the Warranty if:
 - You fail to minimise damage to the Vehicle by continuing to drive the Vehicle when damage to any of the Vehicle's components is suspected;
 - Repairs are commenced or carried out without the express authority of NWC;
 - You fail to provide proof of payment for services if required;
 - You fail to comply with the servicing requirements in respect of the Vehicle as specified in Section 5.
- 8.2 If upon assessment of your claim, NWC discovers that you are in breach of your servicing requirements, you will be ineligible to claim for that specific repair or any faults whilst in breach of your service obligations. If this should occur, you will be responsible for the repair cost yourself, however, you will still be able to use our extensive network of approved repairers to ensure an efficient and cost effective repair process.
- 8.3 Should you be in breach of your servicing obligations, in order to make claims under the Warranty in the future, you must submit to NWC a satisfactory mechanical inspection from an approved NWC repairer as evidence that the Vehicle is in good working order. The repair/inspection invoice date and kilometres will be considered the "recommencement" date for calculating servicing obligations for the remainder of the Warranty Term.

- 10.2 We may cancel the Warranty Contract if you, or a person acting on your behalf, provide a false or misleading statement or information in relation to a claim, if the Vehicle's odometer has been tampered with or is defective or if the Vehicle has at anytime been used for rallying, racing, competitive driving or tested for any such events.

11. Are there any significant risks relating to the Warranty?

11.1 Discretionary Risk Product

The Warranty is a discretionary risk product. This means that you are entitled to have your claim for assistance heard, but that NWC is not obliged to pay all claims that come within the terms and conditions of the Warranty. You are entitled to have NWC decide whether or not to pay the entire claim or to make a contribution to your claim.

We will always consider the merits of your claim when making this decision to ensure that we exercise our discretion in a fair or just way. If we decide not to pay your claim, you will be responsible for the repair costs yourself. Because NWC retains the discretion regarding the payment of claims, NWC may also decide to contribute to or pay entirely for repairs that do not come within the terms and conditions of the Warranty.

Because the Warranty is a discretionary product, it does not offer the same level of protection that an insurance policy may give you. Davantage Group Pty Ltd is not an insurance company and we are not required to maintain the same financial resources that an insurance company does. We do meet the 'financial resources' licence condition attached to our AFS licence.

11.2 Financial Limits

There is a risk that one or more of your claims may exceed the Financial Limit for each Covered Component if the cost of the repairs exceeds the limit stated for that Covered Component. You should take care to ensure you purchase a Warranty option that offers you the level of protection you are likely to require.

11.3 Complying with the Warranty Conditions

There is also a risk that if you fail to meet any of the conditions attached in the Warranty, we will not exercise our discretion in your favour and you may be ineligible to make a claim. You will be responsible for the repair costs for any Mechanical Failure that occurs during this period.

12. Your Privacy Rights

NWC is committed to protecting your privacy. We only use the personal information you provide to issue your Warranty and pay any claims you make. We only provide personal information to those we engage to assist with servicing and claims. In providing products and services to you, we may also share your personal information with our trading divisions, associated entities and related bodies corporate. Please contact us if you do not wish this to happen.

We will not trade, rent or sell your information. If you don't provide us with complete information, we cannot provide the Warranty. You can check the personal information we hold about you at anytime.

If you provide us with personal information about anyone else, we rely on you to tell them that you will give us their information, tell them who we give it to, the purpose for which we will use it and how they can access it. If the information is sensitive, we rely on you to have obtained their consent on these matters. For more information about our Privacy Policy, ask us for a copy.

13. Dispute Resolution

We have an internal procedure for dispute resolution so that if at any time you wish to make a complaint about our services, products or any decision we made regarding a claim, you can contact our Complaints Officer on 1800 888 760. We will acknowledge receipt of your complaint within ten (10) business days, and attempt to resolve it within a further ten (10) business days.

Davantage Group Pty Ltd is a member of the Financial Ombudsman Service (FOS), an external dispute resolution scheme. It provides a free and independent dispute resolution service for customers who have disputes falling within its terms of reference. If you are dissatisfied with our response to any complaint you may refer the dispute to FOS. Any decision FOS makes is binding on us but not on you.
